The Willie Park Driver

The club is stamped "Willie Park" and was probably made around the mid 1880's, just before the founding of Royal Portrush Golf Club. Willie Park Snr. (1833-1903) was the winner of the first Open championship played at Prestwick in 1860. He went on to win again in 1863, 1866 and 1875; he was also runner up in 1861, 1862,1865 and 1867. He was inducted into The World Golf Hall of Fame in 2005. His son, Willie Park Jnr. (1864-1925) won The Open in 1887 and 1889 and was runner up in 1895; his brother Mungo won it in 1874. Willie Senior's four Open victories match those of Old Tom Morris and Young Tommy Morris.

The club was donated to the Club by Sir Richard McLaughlin, President, to hold the silver medal awarded to the winners of the annual President's Prize. The competition was not played in 2021 due to COVID-19 and the bronze medal is dedicated to the memory of those who suffered from the disease.
